Dear Harold,

Obviously, you are one of "the nervous individuals" in exhibit 42 to Ulrich Schweiker refers to on page 181.

This material on you may have been used in The Scavengers and Red Fridays.

I have been told by a D.I.A. operative that massive coverage was placed against critics. The N.S.A. was involved. My own mail was monitored as a secondary target.

The files on you are extensive.

I cannot give you my source but I

Know this to be true. He made reference to extensive phone taps.

Sincerely,
